#### Water Testing

To find out fluoride content of a patient's main water source, you may order containers from the N. C. State Laboratory in Raleigh for \$2.54 each. Patients take the container home, collect the sample, apply the postage, and mail it. The \$2.54 fee includes the testing and results, which are sent to you. To establish an account online, go to <http://slph.ncpublichealth.com/> or contact the lab directly at 919-733-7656
